## Avondale Table Lamp Assembly instructions

### Important Safety Instructions:

- This portable luminaire has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless plug can be fully inserted. Do not alter the plug. Do not attempt to defeat this safety feature.
- These instructions are provided for your safety. It is important that they are read carefully and completely before assembling fixture.
- This fixture has been rated for up to (2) 60-watt maximum TYPE A standard bulbs (not included) OR 13-watt compact fluorescent bulbs (G) (included). To avoid the risk of fire, do not exceed the recommended wattage.

### Warning:

- To reduce the risk of fire, electrical shock, or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.
- Do not touch bulb when fixture is turned on. Do not look directly at lit bulb.
- Keep flammable materials away from lit bulb.

### Pre-assembly:

- Remove whole lamp from box along with any plastic protective packaging.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

### Parts Enclosed:

- (1) Finial (A)
- (1) Shade (B)
- (1) Rod (C)
- (1) "S" cluster (D)
- (1) Cord with plug (E)
- (1) Protective plug cover (F)
- (2) CFL bulb (G)

### To Assemble:

1. Remove all parts from box before assembling.
2. Thread rod (C) into top threaded opening of "S" cluster (D).
3. Remove finial (A) from rod (C), place lamp shade (B) over top threaded section of rod (C) and secure with finial (A).
4. Insert bulbs into threaded sockets.
5. Remove protective plug cover (F) from electrical plug (E).
6. Plug into proper electrical outlet.
7. Assembly is complete.

### Care Instructions:

- Wipe with soft dry cloth only.
- Always avoid the use of harsh chemicals or abrasives as they may damage the finish.
